PRESS RELEASE

Dimmer Switched On For All of California

July 13, 2020 Governor Newsom announced, based on current rates of disease transmission and the increase in hospitalization and ICU utilization, a [statewide closing](#) of the following sectors **INDOOR** activities effective immediately:

- Dine-in restaurants
- Wineries and tasting rooms
- Movie theaters
- Family entertainment centers (for example: bowling alleys, miniature golf, batting cages and arcades)
- Zoos and museums
- Cardrooms

Additionally, bars, brewpubs, breweries, and pubs must close all operations both indoor and outdoor statewide.

All industry or [sector guidance documents](#) that have been issued to date, including all infectious control measures outlined in those guidance documents, including the use of face coverings, which is mandated statewide apply in outdoor settings, and thus must be adhered to. Outdoor operations may be conducted under a tent, canopy, or other sun shelter but only as long as the sides are not closed and there is sufficient outdoor air movement.

These actions remain in effect until further notice.
