Vision Statement:

Reduce the vulnerability to natural hazards in order to protect the health, safety, welfare and economy of the Sierra County community.

Mitigation Goals:

1. Protect lives and reduce hazard-related injuries.
2. Minimize or reduce current and future damage from natural hazards to property, including critical facilities and the environment.
3. Develop and implement long-term, cost-effective mitigation projects that foster resilience for the whole community.
4. Maintain, enhance, and restore the natural environment's capacity to deal with the impacts of natural hazard events.
5. Improve emergency management preparedness, collaboration, and outreach within the planning area.
