Dear Board Members:

The Wildlife Conservation Board (WCB), in addition to other responsibilities, carries out a program that includes the enhancement or restoration of fish and wildlife habitat, as well as the development of public access facilities for hunting, fishing or other wildlife-oriented recreational uses.

WCB proposes to consider the allocation of funds for a grant to one project in Sierra County at the next scheduled Board meeting on February 16, 2023. The project below is listed on the Preliminary Agenda, available for your review at www.wcb.ca.gov under News and Announcements.

- Truckee River Watershed Resiliency Planning (Project ID: 2022068)

A more complete description of the project will be contained in the final meeting Agenda, which will be available at www.wcb.ca.gov ten days prior to the Board meeting.

If you have any questions or need additional information, please feel free to contact me at (916) 205-4730.

Sincerely,
