The Sierra County Mental Health Advisory Board, in partnership with the Board of Supervisors, advocates for responsive services, within the Mental Health System, that are easily accessible, person and family centered, strength-based, recovery and wellness oriented, culturally competent and cost effective. The Sierra County Mental Health Advisory Board provides the voice of informed perspectives on planning, policies and procedures that impact the recovery, resiliency and rights of the persons served, along with family members. The Sierra County Mental Health Advisory Board involves and educates the residents of Sierra County.
