## PRESS RELEASE For Immediate Release

The Regional Stay Home Order for the Greater Sacramento Region, which includes Sierra County, expired yesterday evening, January 12, 2021 and was effective immediately. The release from the Regional Stay Home Order was based on 4-week projections in the Greater Sacramento Region that revealed our ICU capacity would meet the 15% threshold. Regional ICU capacity will be assessed on a weekly basis. Sierra County will exit the order in the Moderate (Orange) Tier, today January 13, 2021.

California assesses Sierra County’s tier level weekly and there is no guarantee we will remain in the Moderate Tier. If Sierra County falls into the Substantial (Red) Tier, businesses sectors in Sierra County might be affected by capacity limitations (see chart below). Due to this uncertainty, we would ask businesses to plan accordingly.

For more information about business tiers visit [California’s Blueprint for a Safer Economy](#).
