PRESS RELEASE **Press Release Dated 04-23-21 Follow Up**

On April 23, 2021, Dr. Sutton-Pado rescinded an outdated local mask order as a technical clean up to align with the current CDC and CDPH guidance on mask wearing/face coverings, which **everyone is asked to follow**.

General guidance regarding face coverings can be found [here](#).

Guidance regarding face coverings for fully vaccinated people can be found [here](#).

Industry sector guidance for face coverings can be found [here](#).

CalOSHA is a stand-alone entity and not governed by the CDC or CDPH guidance. Employers are required to follow CalOSHA's [Emergency Temporary Standards](#) to prevent exposure to COVID-19 in the workplace. These standards apply to most workers in California not covered by CalOSHA's [Aerosol Transmissible Disease Standard](#). Visit the "Employers" page of the saferatwork.covid19.ca.gov to learn more about workplace requirements like, safety procedures, training for workers on infection prevention and what to do in case of an infection outbreak. For employers and workers who have questions or need assistance with workplace health and safety programs, please call Cal/OSHA's Consultation Services Branch at 800-963-9424.

Apologies for any confusion we may have caused.
