PAID CANDIDATE STATEMENTS

UNITED STATES REPRESENTATIVE, DISTRICT 3

Kevin Kiley

Age: 37

Occupation: California Assembly Representative

I am running for Congress to defend our Constitution, protect our freedoms and make our government accountable to the people.

My platform is: Secure the border now to stop illegal immigration. Make crime illegal again by holding criminals accountable. Get the homeless off our streets. Put parents in charge of their kids' education. Slash debt and reduce taxes. Cut waste, fraud and abuse from government.

My experience includes: Serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; prosecuting intellectual property theft by China; and challenging and beating Governor Gavin Newsom for violating the separation of powers.

I know how to get things done. As a State Representative, I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims and passed significant school choice legislation.

I'm a reformer who declined the pay raise granted to the Legislature in 2021 and I declined \$40,000 annually in extra income other legislators collect. I introduced the bill to end special perks for legislators and their staffs.

As the officially endorsed candidate of the California Republican Party, numerous county Republican Parties and over 50 locally elected Republican officials, my pledge to you is: I will never give up the fight for the founding principles that made America the greatest country in the world – freedom, justice, individual responsibility and a limited government that truly represents the people.

I would be honored to receive your vote and represent you in Congress. Visit ElectKevinKiley.com to learn more.

Scott Jones

Age: 54

Occupation: Sheriff, Sacramento County

I'm running to make America Safe Again. I'm the Law and Order Sheriff of Sacramento County. I'm running to take America back from liberals like Joe Biden, Nancy Pelosi and the Squad. I'm endorsed by conservative Congressmen Doug LaMalfa and Tom McClintock.

As Sheriff, I stood up to Black Lives Matter rioters, sending Sheriff's Deputies to stop destruction in Sacramento. BLM tried to intimidate me by protesting at my home and terrorizing my family. In Congress, I won't be intimidated – I'll stand up to BLM radicals.

As Sheriff, I dealt directly with illegal immigration: one of my Deputies was murdered by an illegal immigrant. I stood with President Trump to secure our border and build a wall.

As Sheriff, I opposed Defund the Police. In Congress, I'll fight for more police and tougher penalties to stop out-of-control theft and violence.

I oppose woke anti-American teachings like CRT. I believe in the greatness of America, our Constitution, and our Founding Fathers. In Congress, I'll stand up to the woke left.

I've been Sheriff for 12 years, in law enforcement for 33. I've been married 27 years to my wife Christy. We have raised four children here. I would be honored to have your vote.

UNITED STATES REPRESENTATIVE, DISTRICT 3

Kermit Jones

Age: 45

Occupation: Internal Medicine Doctor

As a doctor and a Navy veteran who deployed to Iraq, my life has been guided by a series of oaths – to my patients and to our country. Now, I am running for Congress to pledge a new oath to bring service-based leadership to Washington.

Before I became a doctor, I learned the values of hard work and responsibility growing up on our family farm. These values led me to join the Navy after 9/11. Later, I served as a White House Fellow, where I worked to increase investments in veterans' healthcare and innovation.

I'm running because every day I see how broken our healthcare system is – not just for our veterans, but for all Americans. Our seniors deserve dental and hearing aid coverage. We pay too much for healthcare, fuel, and our homes. The cost of living, government red tape, and forest fires are making life unaffordable and uncertain for too many Californians. And our national security is under threat as well. From wildfires to our senior populations, we need to ensure we are fighting to protect everyone in our communities, businesses, and our district.

If elected to Congress, it will be my mission to secure our supply chains and restore American manufacturing; to create new affordable pathways to educational and job training; to bring down the cost of healthcare and prescription drugs; and to fight for effective forest management solutions and clean, cheap energy made here at home. STATE ASSEMBLY, DISTRICT 1

Megan Dahle

Occupation: Assemblywoman/Farmer/Businesswoman

It's far past time our lives return to normal and we work together to get California back on track.

To reduce the high cost of living and slow down inflation, I fought to protect Prop 13, lower taxes, get gas prices down and make healthcare more affordable.

Crime is out of control. That's why I'm pushing to repeal liberal laws that released criminals and reduced penalties, allowing thieves to steal almost \$950 without being prosecuted for a felony.

The learning loss and mental health impacts our students have experienced are devastating. I'll continue to advocate for our students and families to have the resources they need to ensure our students have the bright futures they deserve.

Needless regulations waste time and drive up the cost of the products we buy. I'm using my small business experience to cut red tape and make government more efficient.

As a taxpayer, I'm disgusted by the billions the State wasted on fraudulent EDD claims and am leading the fight to enact reforms so that never happens again.

By working to improve forestry management, clear excess fuel and properly maintain power lines, I hope to prevent catastrophic wildfires and keep the power on.

I am also a good friend to the tourism and travel industry and understand how COVID and wildfires negatively impacted the local economy.

The California Association of Highway Patrolmen supports my campaign to move California forward. Please join them and visit www.votemegandahle.com

I'd be honored to have your vote.

Kelly Tanner

Occupation: Emergency Management/Mother

My name is Kelly Tanner, and I am a candidate for California Assembly. We deserve an elected representative that engages, advocates, and responds to the needs of this district. California politicians have unwittingly paved the way to disaster with poor policy decisions, while our serious problems remain unresolved. Our district faces threats to our way of life from wildfires, unemployment accompanied by rising energy costs, and an unacceptable rise in crime.

It is time for our voices to be heard. Our forests, watersheds, and wildfire threats need proper management and preparedness. Addressing the mismanagement of our forests and the threat of wildfire is critical.

I have a BS in Political Science from BYU and an MA in Disaster and Emergency Management and wrote my thesis on wildfire. I fought and defeated a large-scale utility project that posed a serious fire danger to an underrepresented rural community. I will take this level of determination with me to Sacramento.

My husband and I have one son, the 6th generation of our family, to live at our ranch. Let's build a better future for our children and grandchildren together.

I would be honored to earn your vote.
