SAVING WITH HOME DELIVERY

When you get maintenance medications (those prescription drugs you take regularly) at a retail pharmacy, you could be paying more than you need to. Use Express Scripts home delivery pharmacy services* for drugs to treat an ongoing condition (3 months or longer). We will deliver up to a 90-day supply right to you with free standard shipping.

*90 day supply for maintenance medication available through Express Scripts, Walgreens and CVS. Members who continue to fill 30-day supply after their 3rd fill will pay more of the prescription cost for their maintenance medication.

RETAIL REFILL ALLOWANCE

The first three times that you purchase a long-term drug at a participating retail pharmacy, you'll pay your retail co-payment. After the third purchase, you'll pay a higher cost if you continue to purchase at retail. To avoid paying more, use the Express Scripts pharmacy and pay your mail-order co-payment for up to a 90-day supply. That means you'll pay less over time. Your medications will be delivered right to you, and standard shipping is free. Once you get started, you can request refills easily by mail, online, or over the phone.

SAVING WITH GENERICS

FDA-approved generics are as safe and effective as their brand-name counterparts. If you're taking a brand-name drug, talk to your doctor and ask whether a less expensive generic drug could treat your condition. If your doctor agrees, ask your doctor to write a new prescription for the generic that you can fill through your prescription benefit.

*If you request a brand name drug when a generic medication is available, you will pay the generic copay plus the difference in cost between the brand and generic drugs.
