PAID CANDIDATE STATEMENTS

UNITED STATES REPRESENTATIVE, DISTRICT 3

Candidate statements are provided by the candidate and printed at their expense.

Kermit Jones

Age: 46

Occupation: Internal Medicine Physician

I'm a doctor and Navy veteran.

I learned the value of hard work and personal responsibility on my family's farm. Those same values led me to join the U.S. Navy after 9/11 and I deployed to Iraq as a combat surgeon with the Marines. When I came home, I served as a White House fellow working to improve healthcare for our veterans, before I returned to California to work as a doctor.

For me, it's never been about politics, it's about keeping the oaths I made to my patients and our country. But I have watched the rising cost of living and devastating forest fires make life unaffordable and uncertain for too many Californians, all while career politicians in Washington and Sacramento play politics and put themselves and their party first.

In Congress, I will take a new oath – to bring service-oriented leadership to Washington. It will be my priority to tackle inflation and the rising cost of living. As a doctor who has treated over 20,000 patients, I will protect every woman's right to her own medical decisions, work every day to lower the cost of healthcare, and protect Medicare and social security for all Americans.

I am ready to stand up to both parties when they are wrong, whether it's Democrats who want to defund the police, or Republicans who would criminalize abortions nationwide and defend those who attacked our country on January 6th. Visit kermitjonesforcongress.com for more.

/s/ Kermit Jones

Kevin Kiley

Age: 37

Occupation: California Assembly Representative

Congress and the Biden Administration have failed the American people. Their reckless spending and policies have caused record inflation and harmed our economy.

I'm running for Congress to stop the wasteful spending, defend our Constitution, protect our freedoms and make our government accountable to the people. As your Representative I will work to cut debt; secure the border; reduce taxes; hold criminals accountable and put parents in charge of their child's education.

I know how to get things done. I wrote groundbreaking new laws on freedom of speech, privacy, and protections for sexual assault victims. I passed significant school choice legislation. I co-sponsored bills to increase fire protection and manage our forests.

I'm a reformer who declined a pay raise granted to Legislators and I decline \$40,000 annually in extra income other lawmakers collect. I introduced the bill to end special perks for politicians.

My experience includes serving as Deputy Attorney General representing you against violent criminals; defending the Constitution in court; and prosecuting a Chinese company for intellectual property theft. I am endorsed by over 50 fiscally conservative local elected officials – they know my record.

I grew up in this district. It's my home. And as your Representative I will fight to protect our quality of life. I'll never give up the fight for the founding principles that make America the greatest country in the world – freedom, justice, individual responsibility and a limited government that truly represents the people.

I'd be honored to receive your vote. Thank you.

PAID CANDIDATE STATEMENTS

STATE ASSEMBLY, DISTRICT 1

Candidate statements are provided by the candidate and printed at their expense.

Megan Dahle

Age: 47

Occupation: Farmer/Businesswoman/Mother

As your Assemblywoman, I have been your voice in the legislature and have championed the issues of the North State in Sacramento. In the past 2 years I have been successful in securing millions of dollars for our District.

There is more work to be done.

California's high cost of living is forcing families to decide between buying groceries or putting gas in their cars. I am working to suspend the state's 54 cent per gallon gas tax, which would save consumers over \$1600 a year.

Failed government policies have allowed for catastrophic wildfires, a homelessness crisis, and the release of violent criminals.

California does not have to be in a constant state of crisis.

We can thin our forests to protect our homes, work with healthcare professionals to get people off the streets and the help they need, and support law enforcement and public safety agencies to hold violent repeat offenders accountable.

Burdensome regulations are destroying small businesses and free enterprise. I am working to cut the red tape and bring a business minded approach to government.

As a family farmer I understand the importance of building above ground water storage to meet the needs of our communities, agriculture industries and environment.

Please visit www.votemegandahle.com

I'd be honored to have your vote.

/s/ Megan Dahle

Belle Starr Sandwith

Age: 51

Occupation: Small Businesswoman/Inventor

I've spent most of my life in Assembly District 1, earning a BS in Public Health Education, obtaining a U. S. Patent on a new medical device, and owning a restaurant on Donner Summit. With my roots in the district, I understand the needs of our varied communities. I love it here, but I know it's time for critical changes.

We can't continue letting wildfire ravage our communities, ignoring worsening drought, and turning our back on working class families. That's why I'm standing up for what AD1 deserves: better wildfire prevention and mitigation, water management, housing, and healthcare.

When elected, I will fight to:

Improve management of our forests, keep our communities safe when wildfire erupts, and increase wildfire insurance options;

Ensure that state law is safeguarding a clean and reliable water supply for residents, industry, and environment;

Increase access to affordable housing and expand homeless services;

Improve rural healthcare and behavioral health access;

Preserve reproductive freedom for all;

As your next Assemblymember, I promise to always stand tall and ensure that Sierra County and AD1 receive the attention it deserves.

My website has more information on how I would solve the issues that matter to you most. While there, you'll see that I have big-name endorsements to match my big ideas.

A vote for Belle Starr Sandwith is a vote to make Assembly District 1 a better place to live for everyone. I'd be honored to have your vote.

Adrienne Anila

Age: 40

Occupation: Public School Teacher

The public education students receive in Sierra-Plumas Joint Unified School District has the power to launch students successfully in life and give them the confidence they need to succeed. As an educator since 2006, I have made improving the lives of children my number one goal. I show kids their potential and give them the tools of accountability and knowledge.

Freshly out of UC Davis with an economics degree, I knew I wanted to make a difference in the world. I attended Sonoma State for my teaching certificate. Since then, I have taught middle school in Santa Rosa, Portland, Quincy, Loyalton, Downieville, and Portola.

As a board member, I will put the question, “is this best for students,” at the beginning of every discussion. I will hold district personnel highly accountable for carrying out the mission statement of our school district by making sure our staff receive the support and feedback they deserve so they can best serve our students.

/s/ Adrienne Anila

Annie Tipton

Occupation: Teacher/Rancher

I am running for the SPJUSD Board because I am vested in the community, have a passion for education, and feel strongly about providing all students in our district with a high quality education full of opportunities. I have lived in Sierraville for most of my life and graduated from Loyalton High School. My husband and I operate a cattle ranch in Sierraville and I am a teacher at Long Valley School. My two children attend Loyalton Elementary School. I graduated from CSU, Chico with degrees in Agriculture Business and Liberal Studies. I hold a Multiple Subject Teaching Credential with a Supplementary Authorization in English. I am in my eleventh year of teaching and have worked with students K-12 as a classroom teacher, independent study teacher, and intervention teacher. I am also in my eighth year of being the Career Technical Education (CTE) Coordinator for my district. I have CTE Credentials in Agriculture and Natural Resources and in Education, Child Development, and Family Services. I want to be on the board to support all the stakeholders in our education system that play a vital role in providing our children with the best education possible. Please contact me with any questions!

Kelly Champion

Age: 45

Occupation: Accountant

I plan to bring unity and improved functionality to the District as a Trustee. Through my work, I have been educated on government processes and regulations. I have served in the capacity of Finance Director, Clerk to the Board, and Business Manager for government entities for the past 12 years and my experience in budgeting and strategic planning would benefit the Board. As the second smallest county in California, I am familiar with small county funding and resource issues. Since attending Board meetings for the past two years, I am aware of staffing shortages, facility inadequacies and budget deficiencies we face in our District. I am a self-employed accountant and work part-time with First 5 Sierra. I also have two children in the elementary school and I have been an athletic instructor for all ages in both Sierra and Plumas counties for years. I believe in parental rights in making educational decisions for their children and am an advocate of transparency and collaboration. Our local schools are the pride of our community and I will work hard to preserve that. I come with an open mind and the ability to devote time to fulfilling the duties of a District Trustee.
