#### **INSTRUCTIONS:**

- 1. As of January 1, 2010, ONLY individuals who are authorized by Health and Safety Code Section 103526 can obtain a Certified Copy of a Non-Confidential Marriage Record. (Page 1 of the application identifies the individuals who are authorized to make the request.) All others may receive a Certified Informational Copy which will be marked, "Informational, Not a Valid Document to Establish Identity." Certified copies of confidential marriage certificates are only available to the parties of that confidential marriage. Informational copies are <u>not</u> available for confidential marriage certificates.
- 2. Complete a separate application form for each record of public marriage certificate requested.
- 3. Complete the **Applicant Information** section on the first page of this form and provide your signature where indicated. Provide all the information you have available to identify the record of the registrant under **Marriage Certificate Information**. If the information you furnish is incomplete or inaccurate, it may be impossible to locate the record.

#### **4.** SWORN STATEMENT:

- The authorized individual requesting the certified copy must sign the attached Sworn Statement, declaring, under penalty of perjury, that they are eligible to receive the certified copy of the marriage record and identify their relationship to the registrant.
- If the application is being submitted by mail or fax, your signature on the Sworn Statement **must be** acknowledged by a Notary Public. (To locate a Notary Public, see your local yellow pages or call your banking institution.).
- Any member of a law enforcement agency or a representative of a state or local government agency, as provided by law, who orders a copy of a record to which subdivision (a) applies in conducting official business is required to complete the Sworn Statement, however, they may not be required to have their signature on the Sworn Statement acknowledged by a Notary Public.
- If the application is being submitted in person at the County Clerk's Office, the Sworn Statement must be signed by you in the presence of County Clerk staff, and your signature does not have to be acknowledged by a Notary Public. You must also provide valid photo identification to the County Clerk staff at the time you apply for the copy.
- A Sworn Statement does not need to be provided if you are requesting a Certified Informational Copy of a non-confidential (public) marriage record.
- 5. Submit \$15 for each Public Marriage certified copy requested and \$15 for each Confidential Marriage certified copy requested. If no record of the marriage is found, the same fees will be retained for searching the record (as required by law) and a Certificate of No Public Record, or a letter confirming the existence of a confidential marriage will be issued to the applicant. Indicate the number of certified copies you wish and include the correct fee(s). Make checks payable to the Sierra County Clerk-Recorder.
